

Daily QI.BSESN

12/7/2005 - 12/5/2008 (BOM)

BarOHLC, QI.BSESN, Last Trade
10/10/2008, 10,632.27, 10,904.13, 10,239.76, 10,527.85

No matter how cheap stocks may look at current levels, it might be a wise move to wait for the storm to pass. Any rescue attempt by the regulators will only serve to provide some of us an opportunity to get out. I had previously thought we will bounce from around 12,200. That area will now be a good resistance. Ramki
