Hi Ramki,

Vinny is my name, I trade Spot FX here at BNP Dublin. I am just coming through to wish you all the very best and I am going to miss your market updates. I have been following your page over the last few years and have found it very helpful.

Are you retiring from the game or do you intend turning up at another organisation ?

Once again best wishes and lots of success in whatever venture you undertake.

Regards
Vinny

SUBJECT : Congratulations for your Reuters page

Dear Mr. Ramki

I am writing from a consulting firm in Portugal (I.M.F., S.A) and I'd like to let you know that I am a usual reader of yours Reuters page.

Well Mr Ramki, I don't know what is your secret, but what I wish is that you keep going on good bets on USD/DEM.

Even when you are wrong, something in your words alerts me that it's not your day, so I keep going on my own.

I am been doing several trades on USD/DEM sucessfully, just following your advises - with a personal analysis adaptation.

Congratulations again and if you ever come to Portugal give me a call if you wish.

My telephone number is 351-2-6095905

Best Regards

Alexandre Mota
